

DALBY PROBUS CLUB INC

Do you want to have fun and fellowship when you retire? Well look no further than joining a Probus Club like Dalby Probus Club. We currently have 99 members who come from all walks of life so there is ample opportunity to enjoy companionship of new friends and to interact in our various enjoyable activities.

The Dalby Probus club was formed in 1990 and sponsored by the Dalby Rotary Club. The Club meets on the second Monday of each month at the Dalby Bowls Club, 58F Patrick Street Dalby, for a 9:30am start.

The meeting generally starts with a guest speaker. The Club has enjoyed a wide variety of interesting topics from these speakers over the years. This is then followed by the drawing of the lucky door numbers and the birthdays for the month. After this we break for a delicious morning tea at a cost of \$5 and where members spend a lot of time socializing. Afterwards we get down to the serious business of the meeting with the minutes, reports and general business before finishing off with the jokes of the day to make us all laugh. Many members then take the opportunity to have lunch together at a local eatery.

The Club has many outings through the year with a major trip and smaller overnights and day trips. Over the years we have toured all over most of the states of Australia and visited Norfolk Is and New Zealand. Every third month or so many of our members enjoy a day to the Empire theatre in Toowoomba for the theatre's excellent daytime series of shows. This is followed by a lunch at different venues in Toowoomba.
