

The Probus Club of Hope Island

The Probus Club of Hope Island warmly welcomes active retirees seeking a social group of like-minded people offering Fun, Friendship and Fellowship.

We meet on the second Wednesday of each month at the Sanctuary Cove Country Club, Sanctuary Cove. We gather at 9:30 am for a 10:00 am start, our meetings commence with club business and followed by a morning tea and an interesting guest speaker.

A range of monthly activities and interest groups are organised to allow members to socialise, interact have fun and build new friendships.

Many of us in retirement move to new locations and our regular networks of work colleagues and friends are left behind. Joining a social group such as our Hope Island Probus Club allows you to connect with

new like-minded people, build new friendships and have a lot of fun along the way.

Our club is a combined membership club and we are all about having fun in retirement.

If you are interested in joining our Hope Island Probus club and being actively involved, we warmly welcome you.
