

NORTH REDLANDS
Probud Club Inc.

The 2025-26 Management Committee
of North Redlands Probud Club

North Redlands Probud Club has been providing opportunities for senior members of the Redlands community to make new friends and enjoy engaging social interaction in a range of activities for over fifteen years.

Meetings

General meetings 10.30am on the first Tuesday each month except January and November in the Palms Auditorium, Redlands Sporting Club, Anson Road, Wellington Point

Friendship, fellowship and fun

We are a friendly and welcoming club of about 90 members. Our monthly meetings include time for a chat over morning tea then an interesting guest speaker.

Activities and Outings

We enjoy BBQs in the park, club lunches and a few bus trips for days out, as well as one longer multi-day tour each year. We have coffee and chat mornings each month and occasional evening wine and chat gatherings.

Our wide range of activities include card days, an armchair travel group, a reading group, a craft group, a coffee and chat group, two caravan and cabins trips of several days to a week each year, a weekly mahjong group and a weekly walking group. A keen group also attends a local trivia night each month.

Occasionally we go as a group to movies or live performances at QPAC, RPAC or the Redlands Museum.

We welcome new members. If you would like to come along to a meeting or one of our activities, please email our secretary at: northredlandsprobudclub@gmail.com
