

Redlands-Bayside Probus Club

Servicing the Redlands, our Club meets at the Redlands RSL Club, Passage Street, Cleveland on the fourth Thursday of each month at 10am. We start with morning tea then an update of Club activities, a short break followed by an interesting guest speaker. After the meeting, lunch is arranged at a local Cleveland venue. You are most welcome to attend our meeting and chat with our members.

Joining our Club provides an opportunity to meet and socialize with a diverse group of locals who, despite retirement, maintain an active lifestyle. A range of activities is available for members to indulge in.

The popular mid-week lunch Barbeques in the Park are held regularly at Wellington Point Recreation Reserve. Partaking of a substantial meal cooked by the BBQ Team, this event provides a great opportunity for fellowship in the sublime seaside environment. Every month, the well-attended Dining Out Group has dinner at a local club, hotel or restaurant.

Our Caravan and Cabin Crowd (3C's) head off for up to a week at tourist parks within a reasonable drive from Brisbane. Three or four trips a year are organised. Members either stay in comfortable cabins or their own caravans. The camp kitchen is the key focal point, giving members the perfect opportunity to get to know their fellow members.

Our recently appointed Activities Officer is busy organising card games and visits to local events and places.

Contacts: Trevor on 0402 849 148 or John on 0431 774 330
