

Members enjoying a visit to the Maroochydore Aquarium

We are active retirees who enjoy meeting people and engaging in social activities. We meet on the fourth Thursday of each month (except December) at the Wynnum Manly Leagues Club (WMLC), 92 Wondall Road Manly West. Our meetings are from 10 am to 12 noon and we have morning tea, a member spot speaker, news about our many activities followed by an interesting guest speaker. In August we have our Probussouthpacific Club birthday lunch at WMLC after our meeting on the same day. In July we have a special Xmas in July function and in December our Xmas dinner function at WMLC.

Our monthly outings are on the second Thursday of the month and include day trips to interesting places or special dinners.

Each year we also have trips away involving overnight stays, which have included great trips such as the Noosa House Boat and River Cruise, Coffs Harbour and Bellingen Valley, Phantom of the Opera in the Opera House and a Hawkesbury River Cruise. These tours are a great and valuable way of meeting other Club members and developing friendships.

Take a look at our Web Page [www.probussouthpacific.org/microsites/waterloobayc](http://www.probussouthpacific.org/microsites/waterloobayc) to see photos of our previous functions, outings and trips away. If you are interested in joining, the best way to check us out is by attending a meeting.
