

Cairns Marlin Coast Probus is a vibrant & positive community of retired & semi-retired people. We welcome guests and new members, and embrace different ideas and approaches to strengthening the Club.

The focus of the **Cairns Marlin Coast Probus Club Inc.** is Fun, Friendship and Fellowship through a variety of social activities each month.

Regular weekly or monthly activities include movies, Mah Jong, Tai Chi, Yoga, Petanque, cinema, Juliets Lunch (womens' group), Romeo's Lunch (mens' group), Lawn Bowls, 10 Pin Bowling, board /card games afternoons, and art, music, & theatre activities.

We also provide such annual events as a Mystery Car Tour, several nights holiday in a beach or bush location, and an annual Club picnic.

Our members can access to an average of 12, and up to 16 activities each month. Members are encouraged to take on roles to assist the work of the Committee and to promote the growth of the Club.

The Club hosts a guest speaker at each general meeting, and suggestions from members as to interesting and appropriate presentations are valued.

Examples of past topics include beekeeping, biosecurity risks, Flying Doctors(RFDS), waste and recycling management, Emergency Services Management, RSPCA.

Many members and guests accept our invitation to enjoy lunch together following each monthly general meeting.

General Meetings
