

The Probus Club of Indooroopilly Inc

The Probus Club of Indooroopilly provides opportunities for fun, friendship and fellowship for active retired and semi-retired people. We currently have more than 100 members. New members who are looking to join a social group of like-minded people are welcome.

Monthly Meetings

The club meets at 10am on the first Tuesday of each month Sherwood AFL Club, 41 Chelmer Street East, Chelmer from February to November. After a short meeting when club business is taken care of, morning tea is served, followed by an interesting and entertaining guest speaker. Topics covered by the guest speakers are many and varied to cater for everyone's interests. The meeting finishes around 11.45am, after which there is the opportunity to join other members for lunch at a local café or restaurant.

Special Interest Groups

In between the monthly meetings our members can participate in a range of special interest group activities such as Mah-jong, Bushwalking; Walk, Coffee and Chat; Croquet; Golf and Putt-putt fun days and movie nights. A camera club, annual photographic competitions and Armchair Travellers presentations are held in conjunction with other Probus clubs in the area. Suggestions for new special interest groups are always welcome.

Tours and Outings

Our very active Tours and Outings team organises day or half day outings each month, with destinations catering for all tastes. This might take the form of a bus trip, a boat trip or a visit to an interesting venue with a guided tour, and it is always a great day out. Theatre visits are also planned. Longer trips of up to a week further afield are arranged annually and have included trips to Hervey Bay, Norfolk Island, Hunter Valley and Canberra.
