

## REDCLIFFE PENINSULA PROBUS CLUB INC

We warmly invite you to attend one or two of our monthly meetings as a visitor. Our meetings are held on the 4<sup>th</sup> Tuesday of each month and include a small amount of club business followed by morning tea and a guest speaker speaking on a variety of topics.

The Moreton Bay Boat Club is situated overlooking the waters of Moreton Bay with views to the Glasshouse Mountains and the D'Aguiar Range. Many of our members stay on, socialising and enjoying the company of other members at lunch.

In keeping with the theme of Probus - **Friendship, Fellowship and Fun** - we provide members with the opportunity of participating in a wide variety of activities such as playing canasta, Rummikub and various card games. Other activities include book club, movie and theatre visits, morning teas and lunches at different local venues. For those interested in exercise we have a walking group and our monthly trips, in the local area and beyond, are well organised.

If you are interested in joining a friendly club of like-minded people, why not give our Secretary or Membership Officer an email –
