

The Probus Club of Stafford Inc.

Are you looking to meet, socialise and explore new opportunities and experiences with like-minded people? Want to have fun, stay active and embrace new challenges?

Then come join us at The Probus Club of Stafford. We are going strong now in our 37th year!

We bring together retired and semi-retired men and women in a variety of interesting activities and outings for friendship, fun and enrichment. These include regular informal lunches and picnics, guided tours to places of interest in and around Brisbane and longer trips to places and events further afield.

Our big event of the year so far was the celebration of our 36th birthday in July, done in grand style with a Roaring Twenties themed lunch party. The atmosphere was buzzing, costumes amazing, and games and quizzes on people and events of the 1920s kept us busy throughout the day trying to remember things our parents and grandparents told us of those days.

In recent months we have enjoyed a six-day New England Autumn Colours trip, a day at the Esk Bush Bashers show with lots of fun singing and dancing and a trip to the Queensland Garden Show in Nambour. Our special interest groups have visited museums and enjoyed outings to live shows at QPAC and other venues and we have group bookings for several more live shows coming soon.

We meet on the first Thursday each month at the Gaythorne Bowls Club, 18 Prospect Road Gaythorne, starting at 9.30am.

We keep the business part of meetings short include a delicious morning tea, interesting guest speakers and lots of time for fun and socialising. We follow the meetings with optional lunch organised at different nearby venues each month.

Visitors and new members are always welcome. If you would like to attend a meeting contact Linda by email at secretarystaffordprobus@gmail.com or mobile 0432 325 683
